## T ALES OF RADIOGRAPHERS...

**CRASH!**

Wilhelm is rushing for work but oh no what's that on the floor...

Wilhelm crashes to the floor and feels excruciating pain in his lower leg...

**OUCH!**

**RADIOGRAPHERS ASSEMBLE**

At the radiology department the radiographers assemble...

I will use my Xray superpowers... Anatomy, physics, patient care.

The radiographers use their knowledge and skills to position Wilhelm for his X-rays

**X-RAYS!**

**ZAP!**

A reporting radiographer identifies a fracture on Wilhelm's Xray and writes a report on the image...

Wilhelm's leg is put in plaster. He will have another Xray in 6 weeks to assess healing...
